There are institutional provisions for catering to differential student needs; Appropriate learning exposures are provided to students

REPORT

Maa Rewati College of Education admits the students from various backgrounds with varying needs. The performance of students is assessed by internal assessment tests and semester end examinations which are the key indicators to identify areas of difficulties to various learners and devise suitable remedial strategies to cater to their needs.

To meet the language related needs of the students: Teachers adopt bilingual method of teaching. Students are also free to write their assignments and exams in the language of their choice. Moreover, Course books are available in English and, Hindi medium in the library.

To meet the diverse academic needs of students: Sufficient number of books in different subjects is made available in the library. Internet facility is also available for advanced learning. Projective and non-projective aids are utilized for making the subject matter interesting and easy, slow and advanced learners are identified through weekly class tests and special attention is provided to the weak students.

Seminars are also conducted for students on a pre-decided topic of the course. Tutorial classes also form the component of curriculum for assessment of students. To avoid irregularity among learners, special care is taken by staff.

Other measures taken to enhance the performance of learners are as follows

- Remedial classes
- Value added courses
- Assessment tests
