Metric 2.4.13

Comprehensive appraisal of intern's performance is in place. The criteria used for assessment include

Effectiveness in classroom teaching

Maa Rewati College of Education is committed to ensuring the effectiveness of classroom teaching through modern pedagogical methods and a student-centered approach. Several key strategies are employed to enhance the learning experience:

1. Interactive Teaching Methods:

- The college emphasizes interactive teaching, where students are actively engaged through discussions, group work, and problem-solving activities. This promotes deeper understanding and retention of knowledge.

2. Use of Technology:

- Classrooms are equipped with modern technological tools such as projectors, smart boards, and multimedia resources, allowing for dynamic and visually engaging lessons.

Involvement in various activities of schools

Maa Rewati College of Education actively encourages its students to participate in various activities at local schools as part of their teacher training and community engagement efforts. This involvement provides hands-on experience and fosters practical learning. Key areas of involvement include:

1. Teaching Practice:

- Student-teachers are involved in real classroom teaching as part of their internships, helping them apply theoretical knowledge in practical settings.

Regularity, initiative and commitment

Maa Rewati College of Education upholds the values of regularity, initiative, and commitment as essential qualities for both educators and students, ensuring success in academic and professional endeavors.

1. Regularity:

- **Attendance and Participation:** The college emphasizes consistent attendance and active participation in classes, workshops, and other academic activities. Regularity in these areas fosters discipline and ensures steady academic progress.

2. Innovation in Teaching:

- Teachers and student-teachers are encouraged to adopt new methods and technologies to enhance the learning experience, demonstrating initiative in their teaching practice.
